Agreed. Will Mr. Johns be able to execute an enforceable release if he has filed for bankruptcy protection?

Yes, the proposed mutual release would resolve all claims by all parties in this case.

Everett:

I have forwarded the offer to my client. While your communication only mentions Mr. Berleth, I am operating under the assumption that the release would be towards both Robert W. Berleth and Berleth & Associates, PLLC. Please advise if that is not the case.

Thanks.

Richard –

My client has been forced to seek bankruptcy protection. As a result, he is willing to sign a mutual release with Mr. Berleth and nonsuit all claims, provided Mr. Berleth also signs the release on behalf of himself and his firm. Please let me know if we can do this.

Thanks,
