

About JP Real Estate Investments

Based in Houston, Texas, J-P REI Solutions, LLC (JP REI) is an investment company focused on residential real estate investment (Single Family Homes, Multifamily Properties, Mobile homes & RV parks, Small Lots, Acreage, and Notes).

Our company also acquires small lots and acreage in Texas.

We generate capital gains, passive income, and long-term equity appreciation for our investors and owners through the purchase and leverage of undervalued real estate investments.

We increase the value of the assets by updating/rehabilitating them to improve the property's condition. This helps improve the quality of the homes, apartments and, mobile homes & RV Parks in our neighborhoods and communities.

At JP REI, we firmly believe in the power of partnerships and building long-term relationships with our clients and investors.

Team Members

Daren Jennings

Daren has accumulated extensive experience in the Houston Real Estate market since a young age. He loves helping people by providing expert advice.

His positive attitude, determination, and passion have been major factors in the growth and respect of our company in the Houston real estate market
