Marilyn Vilandos’ discipline and focus are on full display when she gets a case. She loves evaluating each one to find the strategy that dedication to justice and fairness drives her to get the best outcome for every client. And this dedication has shown over her career, a bench.

Marilyn’s approach is the same no matter the size and scope of a case. Large or small, her passion, effort and energy are equal. Every means that not only do they get the benefit of her love of strategy and justice at equal levels, but also service, in that she prides herself with every client to achieve their goals and exceed their expectations.

Some attorneys find a respite from the rigors of their chosen career by relaxing with a book or getting away to a beach somewhere, but discipline that drives her to success with her clients and refocusing it on her love of CrossFit. She trains daily and competes in CrossFit discipline to succeed in CrossFit helps her hone her mental discipline even further to succeed for her clients.
