**Laws In Texas first started as an independent investigative blog about the Financial Crisis and how the Banks and Government are colluding against the citizens and homeowners of the State of Texas, relying upon a system of #FakeDocs and post-crisis legal precedents, specially created by the Court of Appeals for the Fifth Circuit to foreclose on homeowners around this great State. We are not lawyers. We do not offer legal advice. That stated, LIT's Blog has grown tremendously during the three or so years it has been operating and our reach is now nationwide as we expand via our micro-blogs in various states. Join us as we strive to bring back justice and honor to our Judiciary and Government employees, paid for by Citizens.**
