

distributing its remaining assets.

12. As both Meng and Deng have petitioned the Court for a receiver and as Mr. Wang has valid and subsisting claims against Piney Point that need to be resolved by the company, appointment of a receiver is well within the considerable discretion of the Court and an appropriate means by which to preserve the resources of the parties and the Court in winding up the affairs of Piney Point.

13. Accordingly, Mr. Wang respectfully requests that attorney Robert Berleth be appointed receiver over Piney Point with the power an authority to perform all acts necessary and appropriate to wind-down Piney Point.

Respectfully submitted,
