LIT's Explosive Series on Harris County District Judge Tami Craft JUL 14, 2023

Real estate owned is the subject-matter of LIT's explosive series on Judge Tami Craft

Main Residence

18510 Catamaran Dr, Humble, TX 77346 is jointly owned according to official real property records, Tamika Craft-Demming and Marcus Demming, wife and husband. There is a mortgage with America's Wholesale Lender per the Deed of Trust executed in 2006 in the amount of \$240,870. A review of the Zillow data reveals this property has been subject to rental during the ownership period and it would be interesting to know if the relevant tax has been declared on any rental income received from their main residence.

Rental Property

For reasons perhaps explained by what appears to be a rather turbulent marriage, in court filings, **7222 Wisteria Chase Pl**, Humble, TX 77346 appears to have been the residence for a period by the judge. This is what is referred to as a Wall St. rental, most likely acquired post 2008 financial crisis and registered in Harris County as a shell entity known as PROGRESS RESIDENTIAL BORROWER 5 LLC, which rents hundreds of properties in the County and nationwide.

Kingwood Property

Recorded in Harris County real property records, on June 21, 2023, for the sum of ten dollars (\$10.00), a 'Cash Deed' between Morgan Gant and Andrew "Andy" Balcom (grantors) and Tamika Craft-Demming and Marcus Demming is executed for the property known as **1019 Bonnie Glen, Kingwood, TX 77339**.

Further investigation reveals the grantors were recently married and had purchased this gorgeous home in September 2022, relying upon a \$361,000 mortgage to acquire the property, only to wake up to the home engulfed in flames, which they barely managed to escape with their dog. The family cat is missing but apparently escaped as well. However, Andy and Morgan were left homeless and without any vehicles or possessions, just a few days shy of Christmas. A **Go-Fund me** page was initiated and it's raised only \$2,968 at time of this post..

However, in an over-the-top gesture, the judge and her husband have acquired the beautiful lot in the livable forest for a whopping \$10 dollars. It is assumed they plan to rebuild a residential home or flip the land for a quick and substantial financial windfall.

Despite the fact insurance coverage should have resolved the financial issues for Andy and Morgan, taking advantage of emotionally distressed homeowners for personal financial gain is still abhorrent, well at least in LIT's view.

The State of Texas Accuse Judge Tamika Craft of Engaging in Bribery and Extortion of MD Anderson

What's the Real Relationship Between Convicted Felon Ms Hollywood Niyoka Campbell and Judge Tami Craft?

Laws In Texas first started as an independent investigative blog about the Financial Crisis and how the Banks and Government are colluding against the citizens and homeowners of the State of Texas, relying upon a system of #FakeDocs and post-crisis legal precedents, specially created by the Court of Appeals for the Fifth Circuit to foreclose on homeowners around this great State. We are not lawyers. We do not offer legal advice. That stated, LIT's Blog has grown tremendously during the three or so years it has been operating and our reach is now nationwide as we expand via our micro-blogs in various states. Join us as we strive to bring back justice and honor to our Judiciary and Government employees, paid for by Citizens.
