Texas Superior Service repaired two plumbing leaks shortly after the "Big Freeze", completing my repairs on Feb 22, 2021. Their plumber, Robert, was on-time, fast & efficient, professional, and did quality work. Michelle was prompt and friendly to work with in scheduling. Much appreciated during this very chaotic time!

Michelle and Ronald are fantastic. They were lifesavers and came to fix a pipe at 10 pm at night so we could get water on! The work was exceptional and very fairly priced. We are so grateful and look forward to working with them in the future
