Good morning, the 11th court does not have a submission docket. I can give you an oral hearing or you can efile a request asking the judge for a submission date and give a brief explanation as to why you cannot attend an oral hearing.

“Membership in the bar is a privilege burdened with conditions. A fair private and professional character is one of them. Compliance with that condition is essential at the moment of admission; but it is equally essential afterwards. A lawyer is received into that ancient fellowship for something more than private gain. A lawyer becomes an officer of the court, and, like the court itself, an instrument or agency to advance the ends of justice.”
