The Honorable Judge Lashawn A. Williams

September 14, 2023

Civil Court at Law Number 3

Re: Case number # 1193800

Dear Honorable Judge Williams,

I hope this letter finds you in good health and high spirits. I am writing to bring to your attention a matter of great concern regarding the ongoing legal case above. The Plaintiff's attorneys have been engaging in a series of harassing actions against the defendants, specifically by unlawfully turning off their utilities. I humbly request your attention to address this matter promptly and ensure justice is served.

First and foremost, I would like to express my complete support for the legal proceedings and emphasize the importance of providing a fair and just environment for all parties involved. It is crucial that the court remains a place where justice is upheld and where citizens feel safe and protected.

Unfortunately, Plaintiff's attorneys, through their actions, has been intentionally causing harm and distress to the defendants. The act of shutting off utilities, can lead to server consequences, including health risks, discomfort, and disruption of essential services. It is a direct infringement upon the defendants' basic human rights and an abuse of power. This behavior is not only unethical but also goes against the principles of justice and fairness that our legal system upholds.

I kindly request that the court takes immediate action to investigate and address these allegations of harassment. The defendants deserve an environment where they can focus on their legal defense and not be subject to further distress caused by the plaintiffs' attorneys' malicious actions. It is my sincere hope that the court can intervene and put an end to this unjust behavior, ensuring that the defendants can live their lives without fear or unnecessary hardship.

I also kindly urge the court consider appropriate measures to prevent such incidents in the future, such as restraining orders or other legal actions, to ensure the safety and well-being of the defendants. It is crucial that the court sends a clear message that harassment will not be tolerated, and the legal system is committed to protecting all citizens from such malicious acts.

Thank you for your time and attention to this matter. I trust in the court's commitment to upholding justice and fairness, and I have faith that the appropriate actions will be taken to address this complaint effectively. Should you require any further information, please do not hesitate to contact me.

Yours sincerely,

/S/ Anthony Welch
