ORDER GRANTING MOTION FOR EXTENSION

Plaintiff Quincy James Gordon filed an unopposed motion for extension of time to respond to the summary judgment motions and to file motions to strike Defendants’ evidence. Dkt. 170. Gordon’s counsel explains that a death in his family and other case commitments warrant granting extra time.

Finding good cause, it is **ORDERED** that Gordon’s motion for extension (Dkt. 170) is **GRANTED**. Gordon must file his summary-judgment responses and motions to strike by **August 27, 2024**. Absent exceptional circumstances, no further extensions of this deadline will be granted.

Signed on August 9, 2024, at Houston, Texas.

United States Magistrate Judge
