## **ORDER GRANTING MOTION**

This matter comes before the Court on a *Joint Consent Motion to Continue Trial* ("Joint Motion") filed by the Plaintiff and Defendants, through counsel, on February 3, 2025. In the Joint Motion, the parties assert that they are engaged in good-faith discussions to settle the case and the parties are attempting a trial payment plan. As a result, the parties request the non-jury trial scheduled for February 18, 2025, be continued. As such good cause is shown this Motion is granted and this matter must be rescheduled.

Wherefore, it is this 5th day of February 2025, hereby:

**ORDERED** that the Joint Consent Motion to Continue Trial is **GRANTED**; it is further

**ORDERED** that the bench trial scheduled to commence on February 18, 2025, is continued and will now commence on August 11, 2025, in Courtroom 517.

SO ORDERED.

Leslie A. Meek
Associate Judge
