Mr. President of the Andrew Lehman Fan Club (aka MARK BURKE):

Your obsession with Andrew Lehman is readily apparent as your Andrew lehman articles are by far and away the most published and most popular articles on your poorly written blog heavy publications at lawsintexas.com [judgment debtor of \$2 million)

The \$ million judgment is NOT void, rather it is quite VALID. Just because your feeble mind wants to call it void doesn't make it void. This is just the beginning, as you continue your rancid publications I assure you that even if it takes 25 years I will get full retribution against you and your mother. Please do not take any more liens on my house over there in kingwood and tell your mother to clean it up nice for me and take down those ridiculous particle board sheets from the windows; we do not live in the 5th ward Mr. Burke, this is kingwood.

And by the way, you can't intervene in a case that's been closed for almost 5 years in the 9th circuit federal court you retard. try again.

Good luck running and hiding from the \$2 million you owe me, you are only making it worse. Just cut me a check and move on. I know your mother is leaving you a nice chunk of cash at or near the amount to satisfy my judgment (as per her will). I will be waiting for it. thanks,

ANDREW LEHMAN, J.D.

Good afternoon,

On behalf of Joanna Burke and myself, I note my earlier email to the CFPB attorneys did not bounce back, so I assume they are working or being redirected to the relevant legal department. I now add Mr. Lehman to this email conference.

We'll be filing a motion to reopen and motion to intervene in the above case later today and would ask if you would reply to this email expressing if you are unopposed or opposed.

Sincerely,
Mark Burke

District Court, C.D. California

Good morning,

I am writing to ask if you still work for the CFPB as I wish to confer on the above litigation. That stated, I believe it is prudent to check the validity of counsel's emails due to the recent changes at the CFPB.

Please advise by return. Thank you.

Cheers,

Mark Burke
